Re: MUR 6477

Dear Ms. Collins:

I received your letter of 7/8/11 notifying me of the amended complaint filed by Janice Hahn for Congress, including a copy of the video that is being distributed by Craig Huey for Congress. It is not obvious what connection Hahn is trying to make between the video being distributed by Huey and the Youtube video that was produced by Turn Right USA. The Huey video is a reproduction of a Fox News story that aired 4/30/2008, while the independent expenditure produced by Turn Right is a rap music parody of candidate Hahn's budget priorities. The Huey campaign stands by its earlier statement that it was unaware of the Turn Right production until it was contacted by news media asking for comments.

Sincerely,

David Bauer, Treasurer
